INFEEL SHEET LAMINATE CATALOGUE

Infeel Sheet Laminate

INFEEL Interior Sheet is much superior to conventional wallpapers.
INFEEL Interior Sheet is a self-adhesive wallpaper, a wallpaper that has its adhesive pre-applied on its back during production.

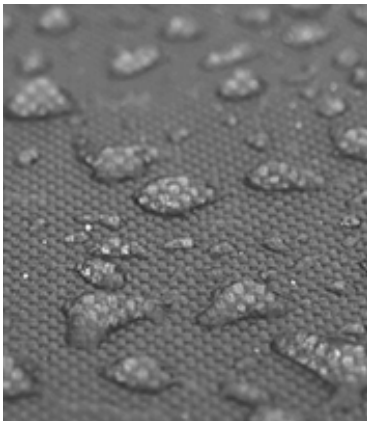

Once you receive the product, it is ready to be installed.

Features

Waterproof and Oil Resistant Surface

The PVC coating layer on top of the INFEEL Professional laminate sticker makes the wallpaper resistant to any liquid that drops on top of the wallpaper surface, be it water, oil, sauce, or juice, we have got you 'covered'.

Air Free Technology

With Air Free technology so it is very easy to install and INFEEL Sheet is mold-proof

Different Finishing Material

Some design comes with different finishing. Glossy and Mate. you can choose which one suit your interior the best Both are made of the same material and does not affect the wallpaper functionality

Air Free Technology

With Air Free technology so it is very easy to install and INFEEL Sheet is mold-proof

Air Free Technology

Most people avoid installing their own wallpaper as they are afraid of air bubbles.
Now we have the perfect solution for you

With a size of 1.23 m in width and around 0.22mm in thickness, this professional laminate sticker is bigger than usual wallpaper

Reform your wall, old furniture, old cabinet, toilet, any applicable areas with no issues and able to cover more area than a normal sticker.

Tabletop, shower area, wardrobe, doors, and make it brand new at an affordable price!

Infeel Interior Sticker Sheet

A new age for lamination

Made in Korea, Infeel sheet/sticker differs from traditional lamination products.

It is DIY-Friendly, have a plethora of design patterns and incredibly versatile!

Variety

The enormous design range ensures that you will be able to freely design your room to your heart's contents. You are no longer limited to Wood designs.

From Marble to Textured Fabric, Gloss prints, Metallic and even different variants of wood, you no longer have to compromise your designs choices and will always be able to choose your ideal designs.

Versatility

Boundless imagination makes for innovation. Infeel strongly believes in that and so do we! This is why Infeel sheets can be installed on walls and many different types of furniture!

There is no need to restrain and limit yourself. The Infeel interior Sheets can be applied to walls, tables, chairs, wardrobes, computers and even instruments like drums and pianos!

Create

With Infeel wallpaper stickers, you can switch it up and make your house an adventure!

Different rooms can have different themes applied to both walls and furniture! Imagine having a unique dining room with marble walls, tables and chairs! Oh, the indulgence.

Change

How about transforming a room into something akin to a log house with our wood style laminate?

You could complete the look with our Grass carpet and transform your room into a perfect study room to relax, work and of course, study in!

We want to change that

Singaporeans generally are very conservative and constrained with their home designs.

It tends to be the classical white or grey for walls and tiles for the kitchen.

A generic sofa with a slightly special shape and a few tables and chairs in the living room.
